Subject: Appeal of USAC Funding Decision - Docket 02-6

### Request for Review

We would like to appeal the decision by USAC to rescind in full the funding for FRN 2136942 of form 471 #789949.

In the funding commitment adjustment letter dated 10/25/2013 it states that the Valcum System is ineligible Item. During a review we had agreed to take off "Valcom V-TCM Talkback Exp.Card" but as far as the other components of this system is concerned we believe that it is eligible components. As the system is meant to add analog ports (that are used in classrooms) to the main PBX.

Respectfully yours,

Rabbi Dechter, Principal
